Sub- Forwarding of the resolution

I have the honour to forward the enclose Resolution passed at the public meeting held at Trikarpur under the auspices of the Local Harijan Committee on 1-7-51 at 4 PM Sri. K. Govinda Poduval a well known public worke presided. I request you to take immediat steps which will enable to redress the grievi

Yours faithfully,

C. Kunhi Raman

This meeting understands with great pain that the Government land R.S.138 in South Trikarpur village which has been exclusively reserved for the Harijan community and where a public well also has been constructed at great cost for the sake of Harijans has been given away to ~~some~~ one local Congress man.

This meeting considers this step to be a gross disservice to Harijans as this can house about 40 families and as there are no other ~~such~~ plots in this village which can be used for the purpose

This meeting therefore, requests the Hon'ble Revenue Minister and the Collector, S.Kanara to cancel the above order and divide the land among poor Harijans for whom the plot was kept reserved.
